**2019 Women's Day of Reflection &
2019 Catholic Men's Conference**

Dear Brothers and Sisters of St. Michael's,

I was thinking of all the wonderful events that are offered to our parishioners and how in this day and age there are still people who wish to worship and can actually get killed if they do. This is one of many of the freedoms that our country has and so many times we let some really great programs pass us by. Coming up in March we have the Men's and Women's Commission Conferences that is held at Seton Hall University. They are offering prayer and worship, Holy Mass, Holy Hour, Adoration, Confession, includes breakfast and lunch. This is a wonderful event for our parishioners to attend see the other side column and all the explanations of the events are there.

We also have Our Lady of Lourdes this week on February 11th- One of the special devotions that takes place in Lourdes is the nightly candlelight procession where thousands of people gather with their candles, and walk in procession praying the rosary. It is led in different languages (Polish, German, Italian, French and English to name a few.) After each decade everyone sings together in one language, raising high their candle, "Ave, Ave, Ave Maria! Ave, Ave, Ave Maria!" We are all familiar with this refrain as it is contained in the hymn, "Immaculate Mary." I can tell you that I sensed the strong faith of all these people, some of whom had traveled a great distance to be at this holy place. Even though our Blessed Mother asked that a chapel be built, what is there today is not only a chapel, but a basilica, sitting on rock above the grotto. The processions do take place and people come to the waters. Our Blessed Mother's requests are being answered. Of course, the message in all Marian apparitions involves penance and conversion. That is why the sacrament of Reconciliation figures so prominently in the Lourdes experience. It is the goal that when people return to their homes after their pilgrimage, they live with renewed devotion and energy, the faith that brought them to Lourdes in the first place.

The message that all people can take from Lourdes is that God is rich in love and mercy and through Mary, the Mother of God and our spiritual mother, as well as through the intercession of St. Bernadette, we can be assured that our Lord is close to us and will provide His healing and peace, helping us to accept whatever He may please to give us in this life. Even if we cannot experience Lourdes as a pilgrim, we know that God hears us wherever we are. Prayer has no boundaries! The power of Prayer is just astounding. I pray one day you will be able to take this trip to Lourdes and ignite the excitement of our Lord in you just waiting to come out.

**Our Lady of Lourdes Pray for Us.
Saint Bernadette Pray for Us.**

We are very excited to announce the dates for the 2019 Women's Day of Reflection on Saturday, March 9, 2019 and the Catholic Men's Conference on Saturday, March 16, 2019! Both events will be held at Seton Hall University, have English and Spanish tracks and include Breakfast and Lunch. Registration fee is \$25. Time of events: **8 am – 4 pm**

Some of the advantages of attending these events are: Listen to speakers who inspire us to learn, love and live our faith better

- Times of prayer and worship
- Holy Mass
- Holy Hour
- Adoration Chapel

Availability of confession, Meet and fellowship with like-minded Catholics, Help others to experience the faith, Learn about ministries of the Archdiocese

Saint Michael's Food Pantry

.....HELP...We could use non-perishable foods, pasta, pasta sauce, gravy, vegetables, peanut butter, jelly, cereals, powdered milk, meats in a can, soups, beans, goya products etc. And, we can always use the Shop-Rite Gift Cards which allows the poor of the community to shop for the foods that they are accustomed to. Thank you for all you do for the poor of this community, it is very much appreciated especially by the children who come in with their parents, they always say they hope they got Corn Flakes Cereal...imagine a box of cereal on the mind of a five year old child....we have a long way to go for the people of this country when children seek Corn Flakes in their little innocent minds instead of the playful times children should be thinking about never food. Thank you for all your help FEEDING THE poor of this community.

Our Lady of Lourdes

- The origins of its sanctity begin with the fourteen-year old girl Bernadette Soubirous.
- Between February and July of 1858, Bernadette saw apparitions of a white-robed lady 18 times in a small grotto called Massabieie, near the town of Lourdes.
- In the apparitions Bernadette was told to instruct the village priest to build a chapel in the grotto, which many people would soon come to visit.

- On the day of the 16th apparition, March 25, the lady revealed herself as the Blessed Virgin Mary. During her ecstatic trance in the grotto, Bernadette began to dig in the earth until a small puddle of water appeared. Over the next few days the puddle enlarged into a pool and eventually became the sacred spring for which Lourdes is now so famous.
- Initially only a regional pilgrimage destination, as incidents of healing began to be reported, the spring developed an international reputation for having therapeutic powers.
- From 1864 to 1872 the site was mostly a regional pilgrimage destination attracting approximately 30,000 persons per year. Initially the shrine was not known for its curative power but after 1873, when incidents of healing at the spring began to be reported, the shrine rapidly developed a national and then international reputation for having therapeutic powers.

The increasing number of pilgrims eventually overcrowded the original church built above the grotto in 1876, and in 1958 an immense basilica was constructed. On the day of the 16th apparition, March 25, the lady revealed herself as the Blessed Virgin Mary. She is also called Maria de Lourdes.

Saint Michael's Memorial Guild Mass

Saint Michael's has a Memorial Guild Mass once a month on the first Saturday of the month at 9am held in the Church.

This is a beautiful way of remembering a loved one who is living or deceased. At this mass each persons name is announced and for that week the names are printed in the bulletin.

Our next Memorial Guild Mass will be held on Saturday, March 02nd, 2019. We hope you will come into the rectory and sign a friend, loved one, fellow worker, living or deceased. The charge is only \$5.00 per month. We hope you will give this mass a thought and come and register for it.

World Marriage Day **February 10th, 2019**

We most certainly need to recognize and honor these couples as a continued sign for our youth and society as a whole of the importance of marriage as well as our support for them. As you can see in our bulletin the upcoming Christian Wedding Anniversary Masses on April 28th, 2019 and June 02nd, 2019 at the Cathedral Basilica for those couples married 50 years or more and 5 and 25 years respectively. Please come to the rectory if you will be celebrating any of the above masses this year.

Below is a Special Blessing for our married couples.

Almighty and eternal God,
 you have so exalted the unbreakable bond of marriage that it has become a sacramental sign of your Son's union with the Church as his spouse.

Look with favor on these couples who you have united in marriage,
 as they ask for your help and the protection of the Virgin Mary. They pray that in good times and in bad they will grow in love for each other; that they will resolve to be of one heart in the bond of peace.

Lord, in their struggles let them rejoice that you are near to help them;
 in their needs let them know that you are there to rescue them;
 in their joys let them see that you are the source and completion of every happiness.
 We ask this through Christ our Lord,
 Amen.
