PLEASE PRAY FOR
WORLD PEACE.

Loving Lord, our hearts are crying out for peace in the world, and yet we know that Scripture has told us that throughout this church age and beyond – and until the Lord Jesus Himself returns to set up His Millennial kingdom there will be no peace in this world – but rather there will be wars and rumors of wars, which will cause humanity to cry out for peace, peace – when there is no peace – except in Christ Jesus – until that time when He returns to earth as the Prince of Peace at the end of the coming tribulation period.

Lord I long for peace and indeed I pray for peace in this world but Father, I do not want to pray against the plans and purposes, which You have set by Your divine decree. Help me to pray intelligently as I see the people of the world crying out for peace, peace.. when the world can never provide the peace that this world longs for.

I recognize that the nations of the world have almost unanimously turned their backs on You Lord Jesus, and that the time of judgement, about which we read in Scripture, is growing ever closer.

Father that You have purposed that grace comes before judgement and we also know that the coming judgement of the world is to demonstrate Your mighty power to the nations.... so that the nations will KNOW that You are the Lord.

Father I pray that many, many men and women will turn to You during this coming time of tribulation – about which we read. Thank YOU that Your children – the Church will be taken to heaven before this terrible time begins – but Lord have mercy and save a great multitude without number so that in the ages to come that great multitude of believing men and women will live in peace and safety – in the kingdom of Your dear Son.

I pray this in Jesus name.

Our Greatest Gift Returned to God

Dear Parishioners,

I was thinking this past week about nature, quite a mystery of our lives. As I watch all the beautiful flowers planted outside the Rectory in bloom and such green grass, I became amazed at what our Lord can do. The parks are all ready for us to come and enjoy the outdoors and of families being together. God sure needs praise for this challenge. The changing of seasons, we have just come out of winter and summer is here. I have always felt that winter is to nature, what spirituality is to the Christian. In winter all life in nature goes dormant, so that during this period of rest nature can renew itself in preparation for spring. Without winter there cannot be any spring. In order for us to believe that every human person living on the earth is a gift from God, we must center ourselves in the holy presence of God. This can be done by quietly resting in prayer. Our souls need to rest apart from all the problems that surround us. Like nature, we too must go dormant and allow our spirits to be renewed.

We need to surrender our anger, our pain, our frustration, and all our fears to God who is all love and mercy. By setting aside some time each day to be in silence, we can renew the presence of God that dwells within us. The presence of God within prayer is such a freeing spirit of all the stress and bad we have to go through in this life. I ask you to accept prayer in your daily life, I ask you to start with a few minutes, and then add a few minutes more each day. **You will begin to feel peace, love, and joy, as you allow God's spirit to come into your life. I will feel so happy once you experience the burdens lift off your soul and come to peace with God.**

Once you establish this pattern, you will wonder how you ever lived without it. You will seek out these special quiet moments each day. Simply sit still and breathe in slowly, and say, "let us remember we are in the holy presence of God, and then slowly exhale all that burdens you. Do this a few times, and then simply sit quietly and say nothing, and do nothing, until you can hear your heart beating. After a while the minutes will go by fast, as your soul desires more time to renew itself.

I invite you to spend the next several weeks of the beginning of summer to join nature in its awakening of our surroundings. May God bless your efforts. May you always live in the awareness of God's holy presence in your life and in the life of others. If you are willing to center yourself each for a few minutes I promise you it will change your life.

Thank You Jesus.

NFP Awareness Week - July 21–27, 2019

WASHINGTON, DC – “Love, Naturally!” is the theme of this year’s Natural Family Planning Awareness Week, a national educational campaign of the United States Conference of Catholic Bishops (USCCB) to celebrate God’s design for married love and the gift of life and to raise awareness of Natural Family Planning (NFP) methods. “NFP,” as the U.S. bishops have written, is supportive of Catholic beliefs about married love because it “respects the God-given power to love a new human life into being” (see, U.S. Bishops, *Married Love and the Gift of Life*).

The dates of Natural Family Planning Awareness Week (July 21–27, 2019) annually highlight the anniversary of *Humanae vitae* (July 25) as well as the feast of Saints Joachim and Anne (July 26), the parents of the Blessed Mother.

Resources (e.g., the NFP Week poster, web banners, prayers, homily notes, bulletin inserts, etc.) and ideas for celebrating and promoting NFP Awareness Week in your area can be found on the USCCB’s NFP Program website: <http://www.usccb.org/nfp/awareness-week/index.cfm>. For more information, contact nfp@usccb.org.

For NFP programming availability in the Archdiocese of Newark, please contact Jill Cherrey in the Office for Family Life Ministry at 973-497-4325 or Jill.Cherrey@rcan.org

Saint Augustine Zhao Rong Feast Day—July 09th

While Catholicism had been tolerated by some Emperors in the preceding centuries, Emperor Kia-Kin (1796-1821) of China published numerous and severe decrees against it. The first was issued in 1805. Two edicts of 1811 were directed against those among the Chinese who were studying to receive sacred orders, and against priests who were propagating the Christian religion. One decree, proclaimed in 1813, forgave voluntary apostates from every chastisement, that is, it pardoned Christians who spontaneously declared that they would abandon their faith. All others who persevered were to be dealt with harshly. As a result, a number of Christians underwent martyrdom in this period.

One of these was Blessed John Gabriel Taurin Dufresse, a member of the Paris Foreign Mission Society, and a Bishop. Monsignor Dufresse was arrested on 18 May 1815, taken to Chengdu, condemned and executed on 14 September 1815.

I was one of the soldiers who escorted Monsignor Dufresse from Chengdu to Beijing, and I was moved by his patience. As a result, I asked to be numbered among the neophytes, that is I asked to be baptised. Once baptised, I was sent to the seminary and, not long after, was ordained a diocesan priest. I worked in the Su-Tchuen province. However, I was myself arrested for my faith and work. When under arrest, I had to suffer the most cruel of tortures. As a result of my injuries, I died in prison in the same year, that is, in 1815. I was beatified in May 1900.

Saint Benedict, Abbot Feast Day July 11th

In one story of Benedict's life, a poor man came to the monastery begging for a little oil. Although Benedict commanded that the oil be given, the cellarer refused -- because there was only a tiny bit of oil left. If the cellarer gave any oil as alms there would be none for the monastery. Angry at this distrust of God's providence, Benedict knelt down to pray. As he prayed a bubbling sound came from inside the oil jar. The monks watched in fascination as oil from God filled the vessel so completely that it overflowed, leaked out beneath the lid and finally pushed the cover off, cascading out on to the floor. In Benedictine prayer, our hearts are the vessel empty of thoughts and intellectual striving. All that remains is the trust in God's providence to fill us. Emptying ourselves this way brings God's abundant goodness bubbling up in our hearts, first with an inspiration or two, and finally overflowing our heart with contemplative love.

Benedict died on 21 March 543, not long after his sister. He is the patron saint of Europe and students.
